Officially licensed by Ford, 3dCarbon body kits' components are manufactured in flexible high-pressure injected urethane.

Ford Licensed Accessories Warranty. Ford Licensed Accessories (FLA) sold and installed by your Ford, Lincoln or Mercury Dealer are quality aftermarket accessories that are engineered, tested and produced by their respective manufacturer. As such, all FLA are warranted by the accessory manufacturer's warranty rather than by Ford Motor Company or individual Dealers. The warranty coverage and claims process will vary by manufacturer. Contact your Dealer for details regarding the manufacturer's warranty and/or a copy of the FLA product warranty offered by the accessory manufacturer. 3dCarbon warrants its product to be free from defects in material and/or workmanship under normal use and environmental conditions. Any product deemed defective by 3dCarbon and authorized for return to 3dCarbon within the warranty period will be repaired or replaced at the sole discretion of 3dCarbon. The warranty period is 3 years/36,000 miles for Ford and Mercury vehicles and 4 years/50,000 miles for Lincoln vehicles (from date of purchase). Defects not warranted by 3dCarbon are customer abuse and normal wear and tear. 3dCarbon does not assume any financial responsibility for the actual costs incurred for removal and replacement labor, paint or repainting, freight costs, rental car expense, if any, nor for incidental expenses or consequential damages that may be incurred for products not found to be "defects in workmanship." The Dealership has the option to purchase 3dCarbon body kits either in an unpainted or painted condition. If the dealership chooses to purchase the 3dCarbon body kit in an unpainted condition and proceeds to paint the product through the dealership, the quality and workmanship of the paint are the responsibility of the dealership. If the dealership chooses to purchase the 3dCarbon body kit in a painted condition, the quality and workmanship of the paint are the responsibility of 3dCarbon and the warranty provided. **NOTE:** The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
