Ford Racing Announces Limited Edition (50 units) 2010 Boss 302R Mustang

To celebrate the 40th anniversary of the Mustang Boss 302's iconic 1970 Trans-Am championship, and to build on the success of the Mustang FR500C (winner of 2005/2008/2009 Grand-Am Championships), Ford Racing is proud to announce the development of a new race-prepared road racing Mustang – the **2010 Ford Racing Boss 302R**. Details of this exciting program have already begun to surface, and we want to ensure our dealers hear about it from us first.

1970 Trans-Am champions --
Parnelli Jones and
Mustang Boss 302

The Ford Racing Mustang Boss 302R will be a factory-built race car, ready for track days and road racing in a number of SCCA and NASA classes. An optional Grand-Am Homologation Package will be available for the Grand-Am KONI Challenge series. While details are intentionally limited at this time, the following should help you assess the product and its appeal.

Program Intent

- Continue the winning tradition of Mustang racing
- Build limited to 50 units
- Off-road only (VIN replaced by serial number)
- Estimated pricing, \$75,000 WD, \$79,000 MSRP
- Build/delivery in 3rd-4th Qtr 2010
- Ford Racing Part #: M-FR500-BOSSR

Vehicle Content:

- 400 hp (est.) 5.0L 4V engine
- 6-speed manual transmission
- Roll cage
- Race dampers/springs, brakes, tire
- Race seats, safety harness

Optional - Grand-Am Homologation Package

2010 Grand-Am spec/approved package (Part Number: M-FR500-BOSSR1) for KONI Challenge includes:

- Sealed high output race engine with upgraded cooling system
- Close ratio 6-speed transmission with integral shifter
- Seam-welded body
- Race suspension/KONI dampers and ABS brake tuning
- Race wheels/tires
- Race performance exhaust
- High speed balance 1-piece driveshaft
- Racing fuel cell
- Race data acquisition
- Grand-Am spec vehicle is estimated to be \$129,000 MSRP (\$124,000 WD)

Orders / Feedback

- Vehicle orders should be placed with the Ford Racing warehouse, 800-367-3786.
 - Priority delivery will be given to multiple vehicle orders.
 - An "off-road only" competition release will be required prior to delivery of the race car to the dealer.
- Production of only 50 units is under consideration for 2010, so dealers are encouraged to submit their orders before December 31, 2009.
- Questions about ordering should be directed to Wayne Geoffrey (wgeoffre@ford.com).
