

#### CONTENTS

After over 40 years, Ford Motor Company brings back the Pony Car legend, **Boss 302**. It returns as the ultimate Mustang for the track that you can drive on the street. Understand why now, how this came to be, and the behind-the-scenes story and people that made it happen. Never-before-seen footage from development with the key engineers who had the vision, skill and passion to bring this car to life. With the guidance of Parnelli Jones, to the prove-out on the track with Ford Racing, to the prideful introduction at Laguna Seca, this documentary is a must-see for any automotive enthusiast.

# FORD REMAKES A LEGEND

THE 2012 MUSTANG BOSS® 302.

After a 40-year break, the Boss is back. Now with a 444 hp, quad exhaust V8.

Optional Laguna Seca Package shown. Front air splitter included in Laguna Seca Package is intended for race-track use only and is not legal for on-street driving. May degrade crash performance and void vehicle warranty. Must be installed by customer.
