

# Roadtrip Across America

to Raise Awareness and Funds  
for America's Wounded Warriors

The Wounded Warriors Family Support Mustang will hit the road this summer, for the fifth annual High Five Tour 2014. During the 14-week tour, the 2014 Ford Mustang Shelby GT500 will cover more than 27,000 miles, travelling to more than 60 cities and making stops in 48 states.

**Wednesday  
July 9th  
5pm-7pm**

Come sign the Shelby with a message of support to our country's veteran and their families.

We'll also have a cook-out and refreshments!

The High Five Tour 2014's mission is to raise funds to build two "smart homes" for two deserving wounded warriors and their families SFC Jason Ross of San Diego, California and Capt. Anthony Simone of Joliet, Illinois.
