## C294b (BK)

### 14401

Climate control module (19980)

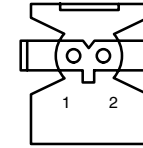

FEMALE

| Pin | Circuit     | Circuit function                      |
|-----|-------------|---------------------------------------|
| 1   | 1205 (BK)   | Ground                                |
| 2   | 261 (OG/BK) | Blower motor, speed control           |
| 3   | 754 (LG/WH) | Blower switch speed control, medium 1 |
| 4   | 752 (YE/RD) | Blower switch speed control, medium 2 |

## C303 (BK)

### 14A005

Passenger safety belt retractor pretensioner

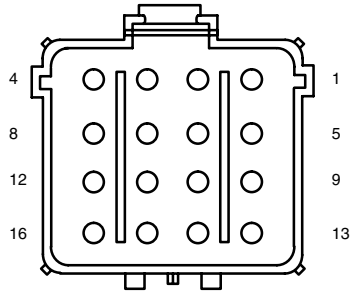

FEMALE

| Pin | Circuit      | Circuit function                                   |
|-----|--------------|--|
| 1   | 1081 (YE/RD) | Safety belt buckle pretensioner, passenger, feed   |
| 2   | 1082 (YE/BK) | Safety belt buckle pretensioner, passenger, return |

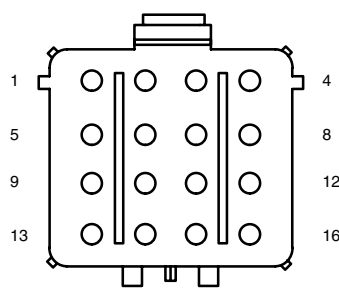

## C300 (GY)

### 14A005
