The term "ROUSHCharger™ Kit(s)" as used in this warranty applies to each ROUSHCharger™ identified above.

## **WARRANTY PERIOD**

The Warranty Period for the R07000001 ROUSHCharger™ Non-Intercooled Kit, **and** 401633 ROUSHCharger™ Intercooled Kit is as follows:

Component(s) provided by us to fulfill our warranty obligation must be used in the product for which warranty service is claimed. This warranty is not transferable to a second owner and is secondary to all other warranties and manufacturers' recall that may be in effect.

### WARRANTY PERIOD

The Warranty Period for the Crate Engine is 2 years or 24,000 miles from the original in-service date of the Crate Engine as determined by the installation date shown on your service installation receipt.

### WARRANTY COVERAGE

When a Crate Engine is correctly and completely installed by a certified Ford automotive technician or automotive service technician certified by the Institute for Automotive Service Excellence (ASE) on an eligible, legally registered and licensed vehicle, we will cover defects in ROUSH materials and workmanship during the Warranty Period, as solely determined by us.

Below are those vehicle components covered and not-covered under this Warranty:

If a failure of any of the above parts damages either the engine block or cylinder heads, a remanufactured long block assembly will be provided up to the maximum coverage of \$4000.00

**NON-COVERED:** Those engine components specifically not listed including, but not limited to, parts, filters, etc., that are required to be replaced as a part of a normal vehicle maintenance schedule are not covered under this warranty.

A replacement Crate Engine or component(s) that has been installed in accordance with our instructions, assumes the remaining warranty of the original replaced. If a Crate Engine or any of its component(s) is exchanged, the replacement becomes your property and the returned Crate Engine or component(s) becomes our property. Component(s) provided by us to fulfill our warranty obligation must be used in the product for which warranty service is claimed. When we issue a refund for a Crate Engine, the returned Crate Engine becomes our property.
