

MAKE IT OFFICIAL WITH CERTIFICATES OF AUTHENTICITY

Enthusiasts know that having solid documentation can add value to their collectible car. And there's no better way to show your SVT or select late-model Ford performance vehicle is the real deal than to display an official vehicle "Certificate of Authenticity" with it.

Certificates of Authenticity from the Ford Performance Group contain exact Ford build information such as VIN, assembly plant, production number and manufacture date. Available for your Ford SVT, Shelby GT500 or Ford GT (and soon for the SN-95 Mustang Mach 1 and Bullitt as well as the Mercury Marauder), these unique certificates carry Edsel B. Ford II's and/or Carroll Shelby's signature – and can ONLY be purchased from the Ford Performance Info Center. Call today!
