

2009MY F-150

FAST TURN ORDERS (FTOs)

In an effort to provide dealers with guidance on ordering recommendations, Ford has developed specific ordering recommendations, which statistically represent the fastest turning configurations when this specific content is grouped together (referred to as Fast Turn Orders). The Fast Turn Orders were developed as a result of an extensive analysis of actual retail dealer sales performance of every vehicle configuration with the goal of identifying those configurations with the best Days on Lot (DOL) performance.

FTOs are designed to provide dealers with:

- Vehicle configuration recommendations representing the fastest turning configurations available
- Options to consider adding to FTOs that do not degrade the inventory turn performance

Nineteen FTO vehicle configurations have been developed for the MY 2009 F-150. The FTO descriptions with the required options, recommended options, and recommended take rates are listed in the following pages:

	Lariat SuperCrew FTO 1	Lariat SuperCrew FTO 2	Lariat SuperCrew FTO 3	Lariat (King Ranch) SuperCrew FTO	Lariat (Platinum) SuperCrew FTO	FX4 SuperCrew FTO 1

2009 F-150
REGULAR CAB / SUPERCAB / SUPERCREW
MAJOR PRODUCT SUMMARY

The 2009 F-150 is a continuation of the F-Series tradition, with 31 straight years of sales leadership. The F-150 offers five trim levels to enhance its product market: XL, STX, XLT, FX4, and Lariat. Each cab style, Regular Cab, SuperCab, and SuperCrew, continues to offer exterior and interior improvements, as well as the ride, handling, and powertrain advancements of the new F-150.

The following equipment is standard as indicated. Each series includes the standard equipment of the previous series, except where additions/exceptions are noted:

XL – Entry Level	STX – Fun, Athletic	XLT – All-Purpose	FX4 – Powerful	Lariat – Truck Luxury
