OPTION DESCRIPTIONS

SALEEN 14" BRAKE SYSTEM

This option features cross-drilled 14" vented front rotors with Saleen 4 piston calipers. Stopping distance improves dramatically and the large calipers enhance appearance.

SALEEN WHEEL & TIRE UPGRADE

High performance Pirelli P-Zero Rosso tires are fitted to 20" x 9" front and 20" x 10" rear wheels. The tires measure P275/35ZR20 in the front and P275/40ZR20 in the rear.

SALEEN HIGH INTENSITY HEADLAMPS (HID) (NEW FOR 2005)

A unique Saleen designed headlamp assembly that features the industry's first Bi-Functional Xenon / HID lamp. The 5 ¾" Bi-Functional Xenon / HID lamp utilizes a moveable light shield technology to achieve both high and low beam functions in a single reflector with only one HID light source providing 40% more light in both low and high beam functions.

SALEEN MAXGRIP DIFFERENTIAL

A revolutionary, patented, competition proven system that dramatically improves the handling characteristics of the entire vehicle. Do not confuse this with a traditional limited slip differential. This is new technology only available through Saleen!
